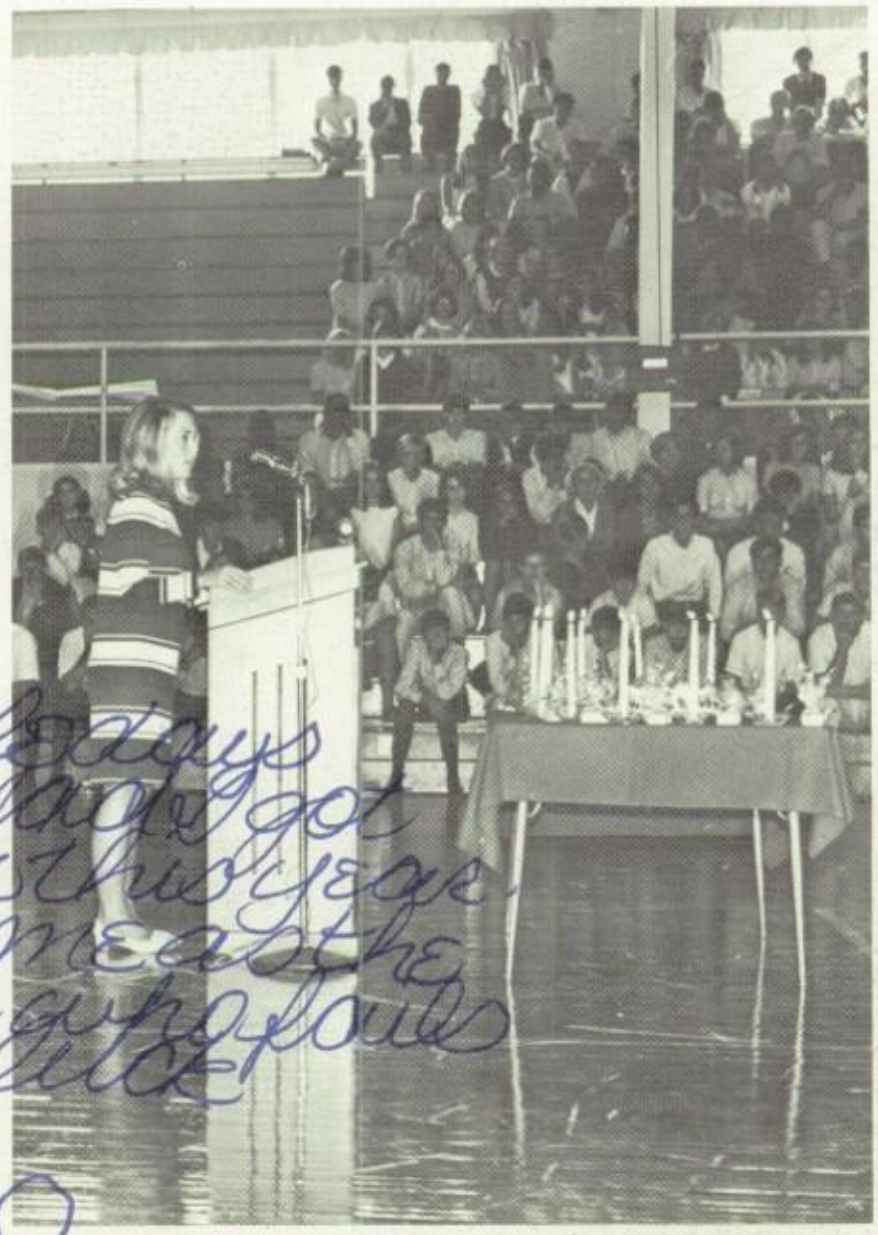
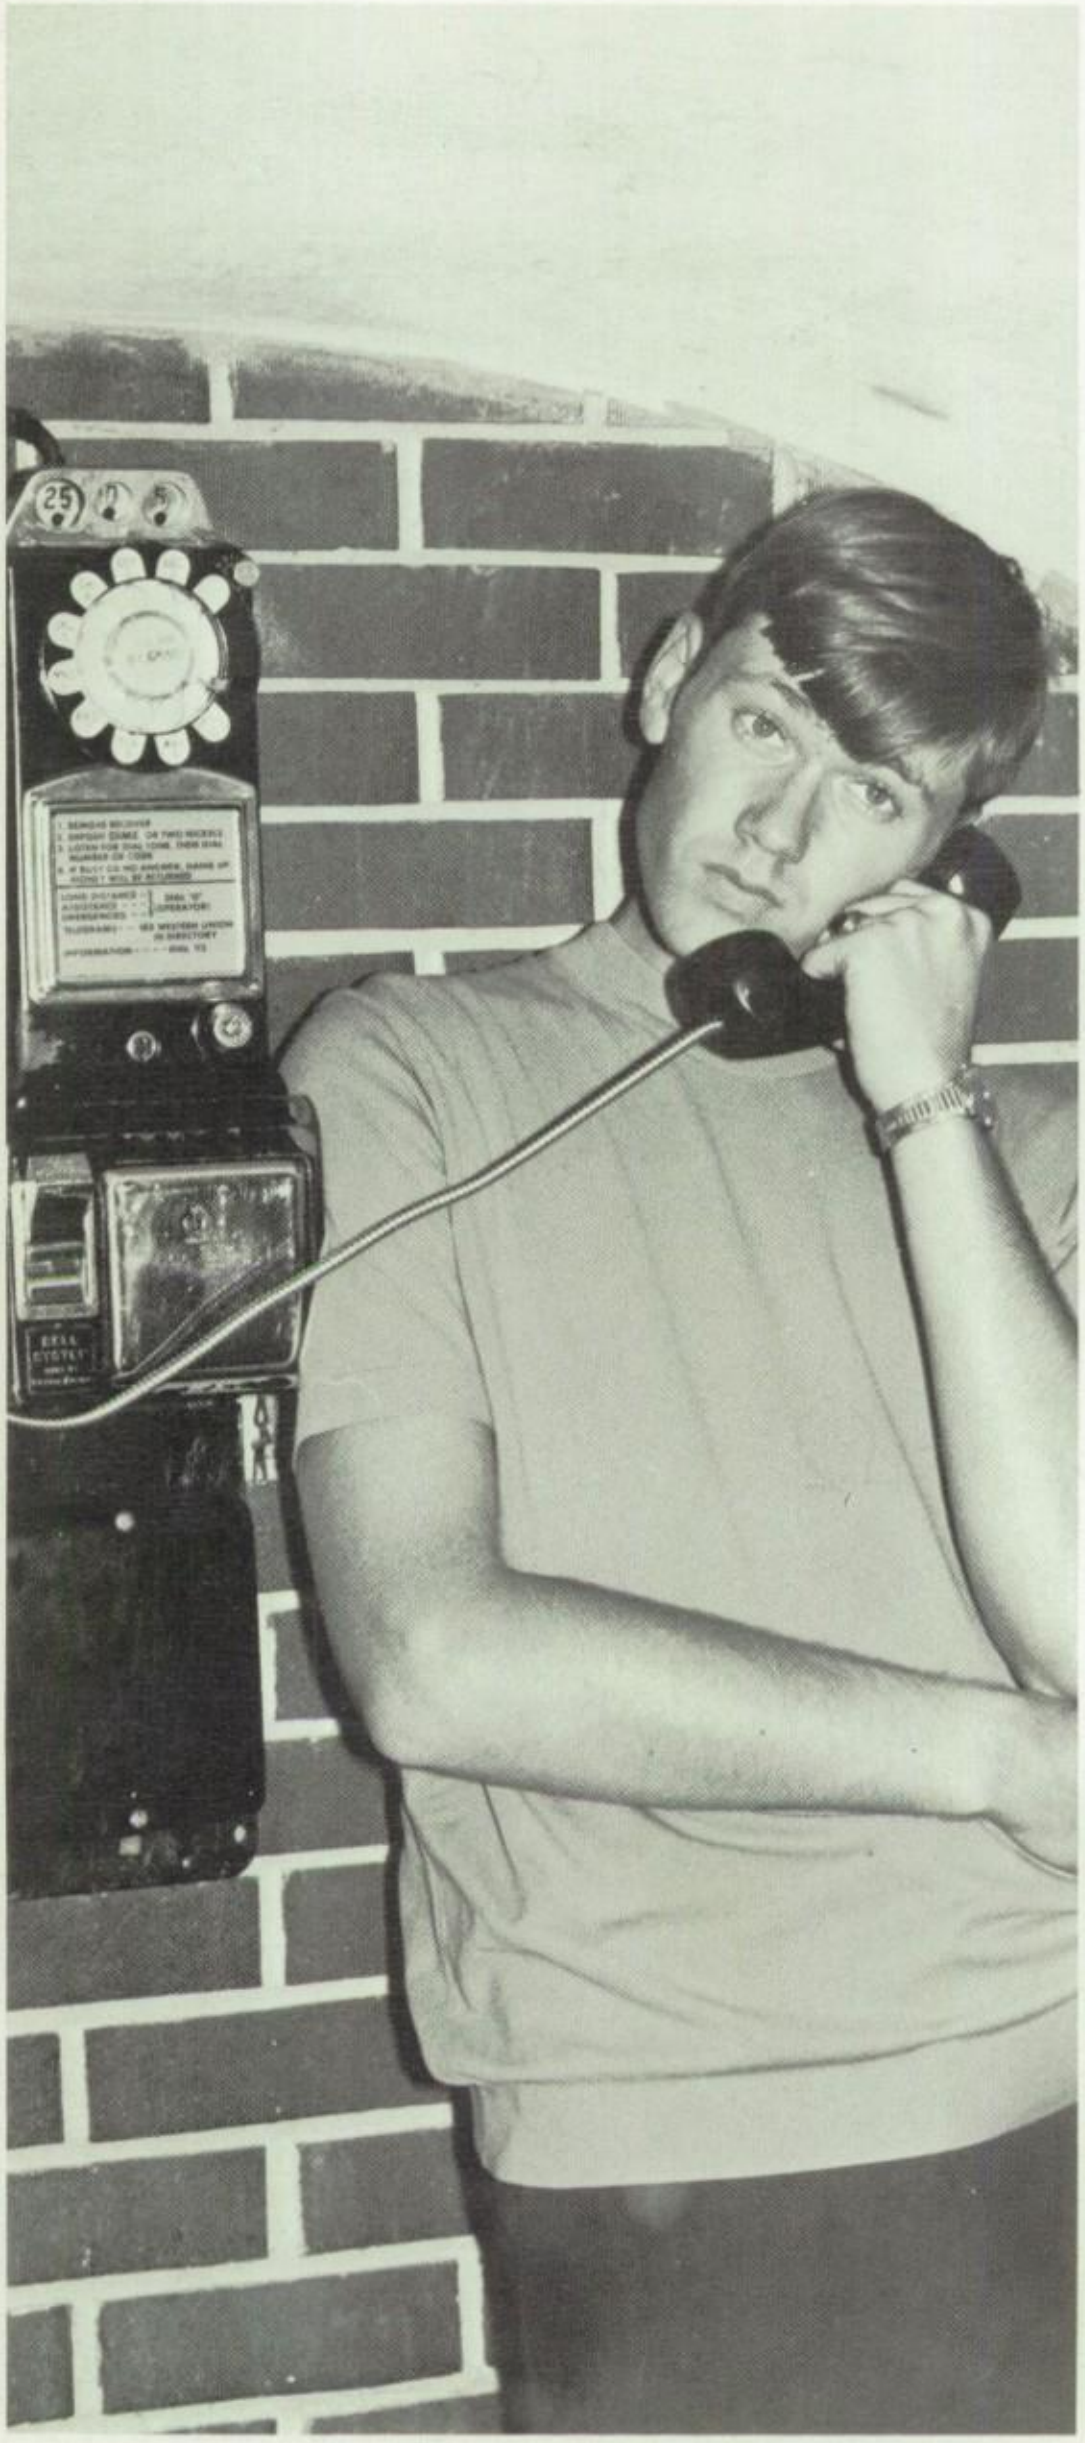
REFLECTIONS . . . REALITIES . . . DREAMS . . .

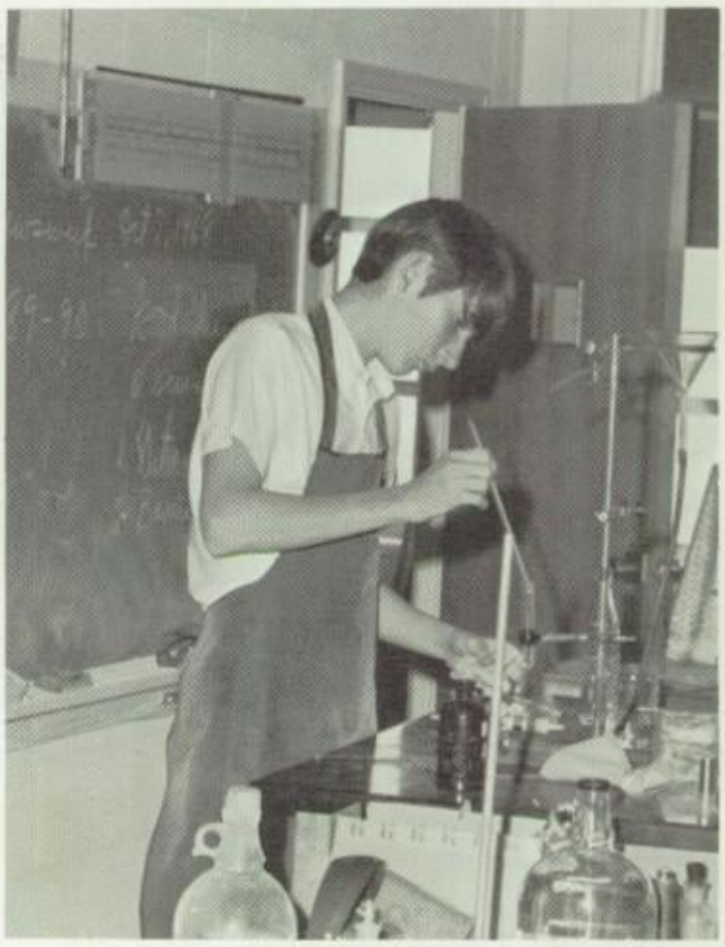
The present will soon be past; our memories will be covered with haze. The haze seems to surround us in the present and form a veil between past and present, present and future.

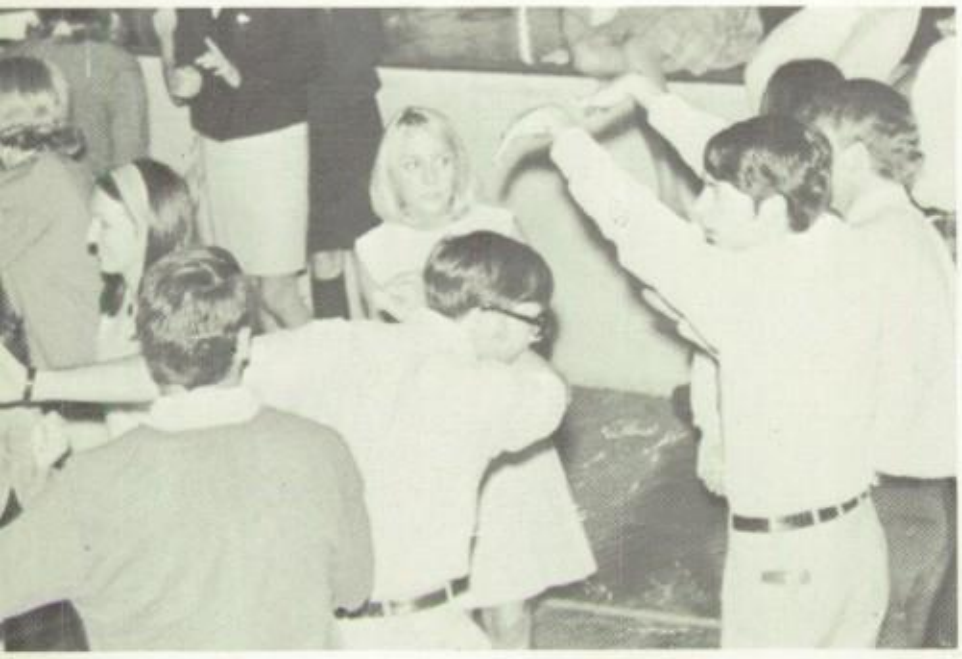
The future seems almost unreachable. It is hard for us to grasp the nearness it holds, although we know it is inevitable. Our minds penetrate the haze into the past and linger somewhat older, sadder, wiser, on our lives. Reflections . . . realities . . . dreams.



Rosemary,
Remember the good days
at Grieve Hall. I'm glad I got
to know you again this year.
Always remember me as the
stupid girl in art who fell
all the time. Good luck
always. Nancy
Certain '82







1968-69 at Overton was ... broken pay phones ... tarnished band instruments ... a new photo lab ... lunch trays ... pride ... a mock presidential election ... new faculty members ... spirit ... car decals ... winning and losing ... and more, much more.

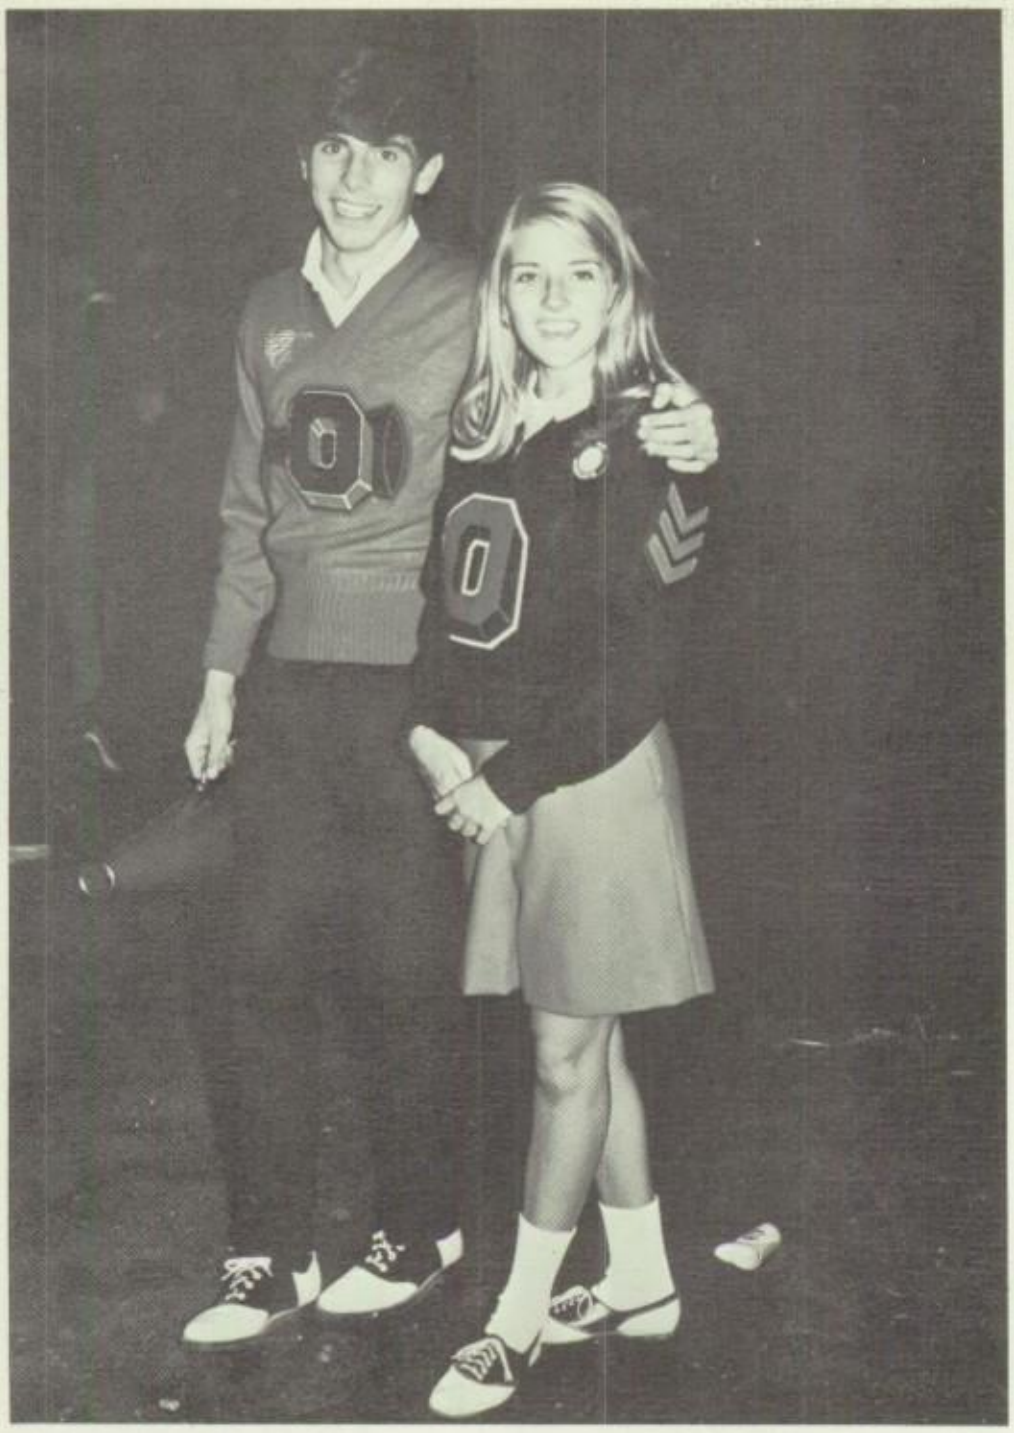
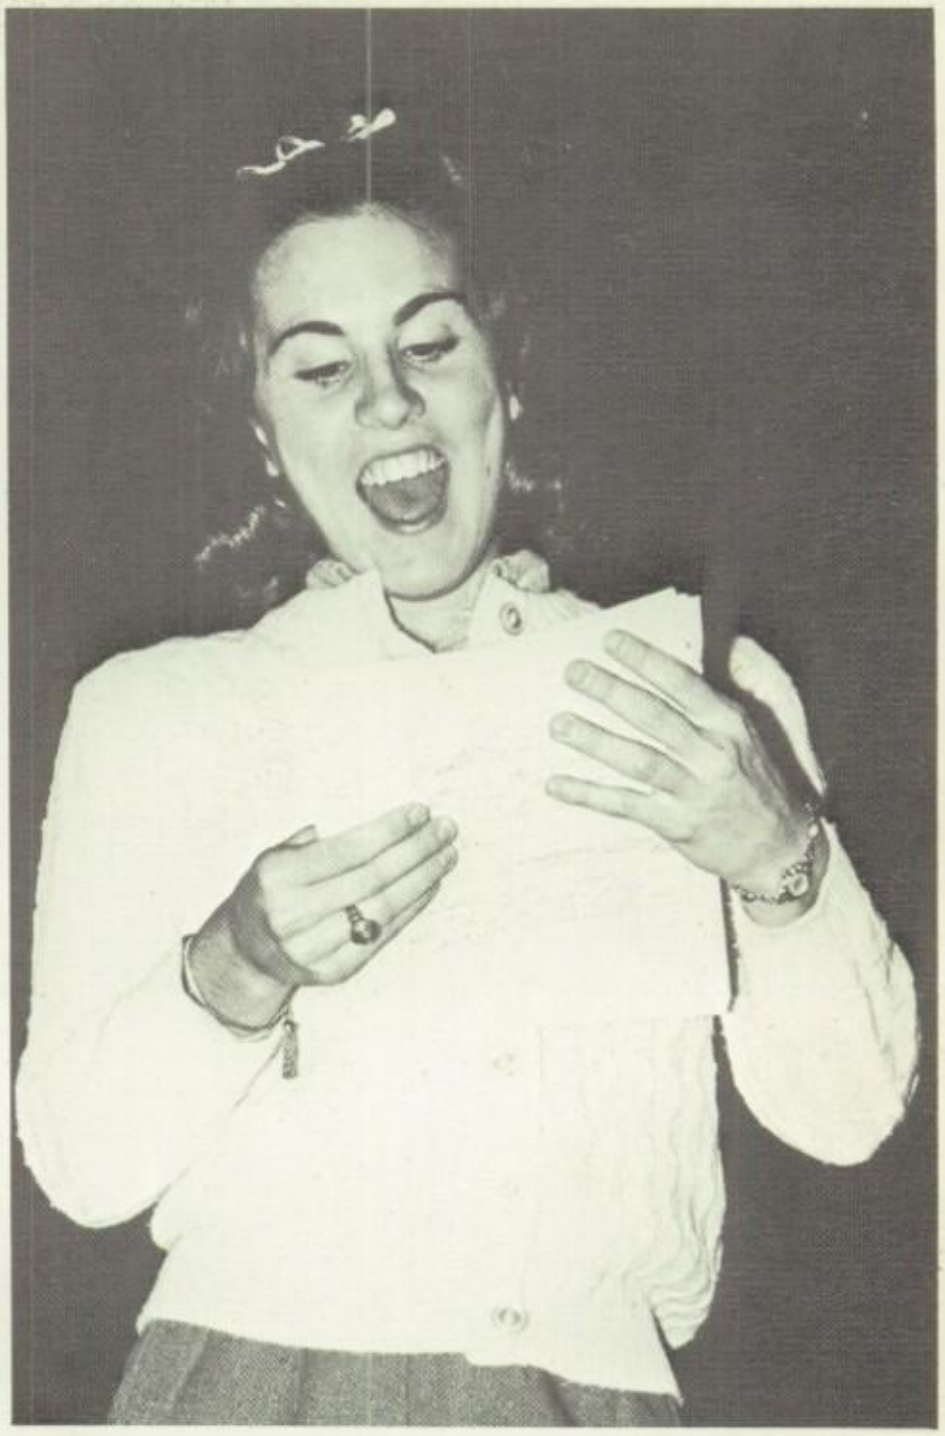
Happiness is . . . a sparkling laugh, a pensive tear, an understanding smile.





Mushy coke makes messy moustache!

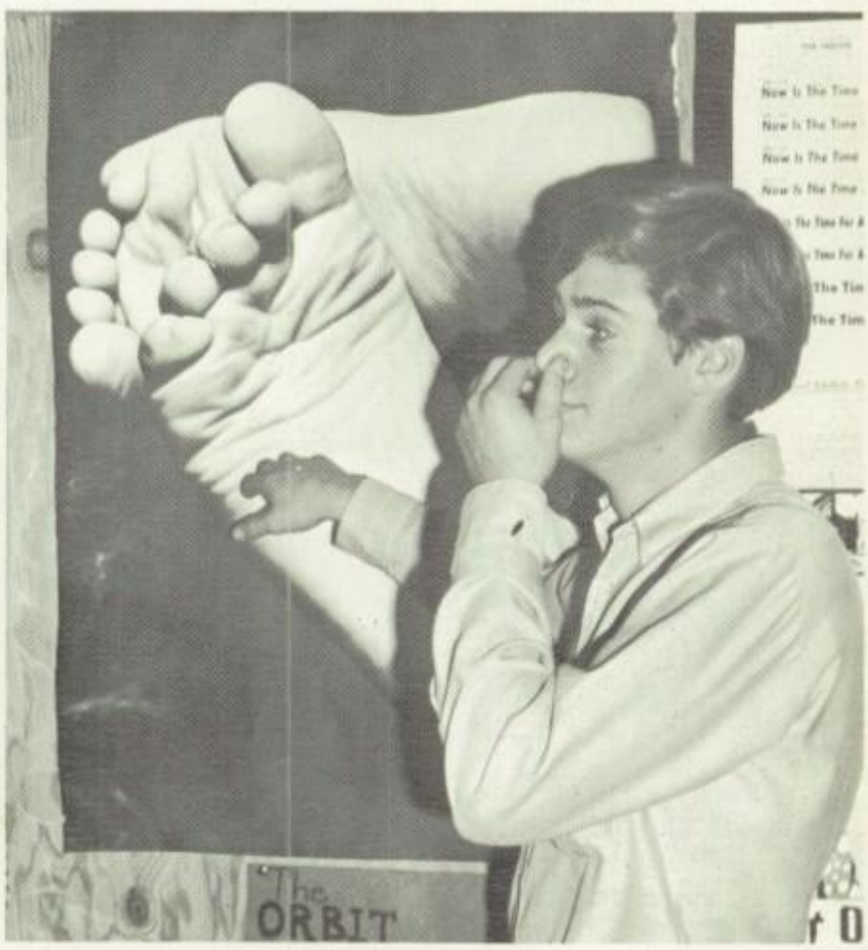
Let me out!

Fake it, sweetie. She's coming!

I think I've got fleas!

I can't do it. Don't make me eat it!

Hey, you're going the wrong way!

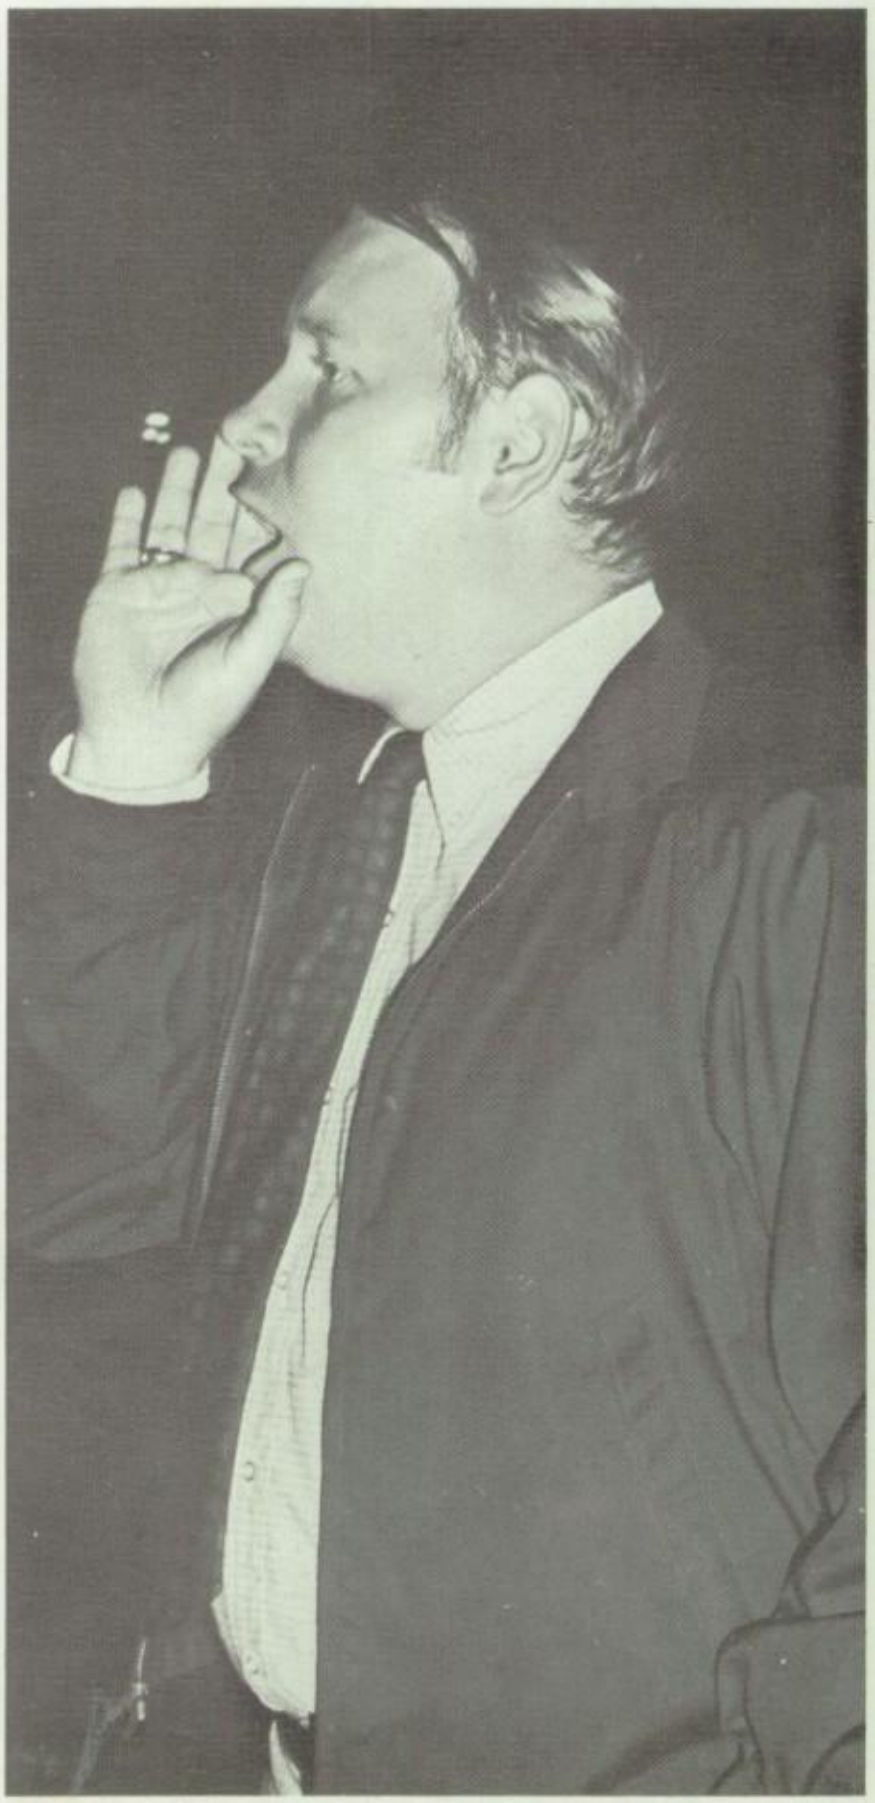


You need Right Guard.

History has never been so funny.

The number you have dialed has been disconnected.

Your guess is as good as mine!



Hey! You forgot to brush your teeth!

Monday Morning Blahs

EDITORS

Hours and hours of hard work, sweat, tears, and patience, plus an occasional cross word and a lot of laughter go into making up an annual. This year's staff was no exception as it stayed after school for weeks on end in order to meet deadlines. And, as you can see by the fact that you're holding an annual in your hands, they met them.

Rosemary,

Good ole Rosemary, that's a good name, maybe you should have a baby. Always remember those parties Jan Horicker always had every month. Keep yourself good and you'll make it big. Let yourself go bad and you'll probably make it too. And don't forget David.

Love and ☮

Mike Kennedy

Rosemary,

Hey, we made it through another year, I don't know how though. It's really been a great year from Jimmy Davis to David to who knows. I hope next year will be even better, if I can take it. I ~~can't~~ won't go over every detail I tried that in Vivian's & I almost died remembering everything that happened to us. English class was really wild and I don't think I could have made it through lunch without you. Not to mention gym and Jewell's great record & archery & all that crap & messers up everything.

You're really cute & you really have a charming personality believe me that's my frank & honest opinion. Remember, I have the great frank & honest opinion! I'm sure if you don't see David again somebody else will come along. Best of luck always & don't forget me when I'm fighting the colored people in Birmingham.

Luck & Love always,

Rosemary Elvera

P.S. From the desk of the instigator -
keep up the good work but next time,
DONT GET CAUGHT!
I hope we can look foward to a summer of vandalism and destruction, with my sick, mentally depraved mind I should be able to think of something. I have'nt let you in on the really good stuff yet. I didn't want to shock you. Remember when you're out if you see this dumb-looking red corvair; Kill!!!!!!
and don't forget the good old days of writing in her locker. We must remember though, she may have her faults but:

BOB LOVES HER!
